

Group 2: Collaborative Writing, Essay

Write a persuasive essay on a topic of your choice. One person will start with a line and then people will add to the essay until it is done. Be sure to apply the principles of persuasion that we discussed in class (e.g., ethos, pathos, logos, counterargumentation). Each entry should not exceed 140 characters. You may include images, audio, audio-visuals to enhance your essay.

Why we should not get homework during vacation

Students need to relax

Fl's also need to rest and recover. – ANONYMOUS

Lecturers need to revise the amount of assignments they give out
– ANONYMOUS

Our laptops also need to stop overheating. Students may need the time as well to better themselves outside the classroom .

they need to learn new things such as cooking, playing of musical instrument and sports. this can be done effectively if school homework is not given during vacations – ANONYMOUS

Learning all these things gives them a wide range of experience in certain fields – ANONYMOUS

We need time to buy more data in preparation for the next portion of work once the break is over. – ANONYMOUS

It is called a break for a reason. Thus we must respect it and take a well needed break. – ANONYMOUS

People's minds need to cool down . – ANONYMOUS
